

How to become a soccer referee:

The Rappahannock Soccer Referee Association (RSRA) is the local organization which serves leagues in the Stafford, Fredericksburg, Spotsylvania and King George areas. Members of RSRA officiate 95% of the soccer matches in these localities.

The point of contact for the RSRA is Barbara Brandao, the Director of Assignors. She can answer questions regarding becoming a soccer official, taking referee classes, getting assignments and moving up in the soccer referee world. Her e-mail address is: assignor@reflady.com

For information for refereeing *Travel Division* games, please contact Jack Hitchens at: justhitchens@comcast.net
